# Cost-Effective, Custom-Fit Asset Tags

## N2 SoftFoam Asset Tag

The N2 is a disposable asset tag that offers an ideal balance of low cost, lightweight design, and customization flexibility. Unlike traditional plastic tags, the N2 features a foam cotton outer shell, promoting both sustainability and cost-efficiency. This innovative design also accelerates the development cycle for custom shapes, allowing for quick adaptations to meet specific needs. Additionally, the N2 incorporates a self-developed conductive adhesive power-off technology, enabling shutdown inventory tracking. Widely applicable across warehousing, logistics, medical equipment, and retail asset management, the N2 is a versatile and reliable solution for diverse industries.

### Application

Warehouse

Logistics

Retail

Healthcare

Exquisite size

Cost-effective

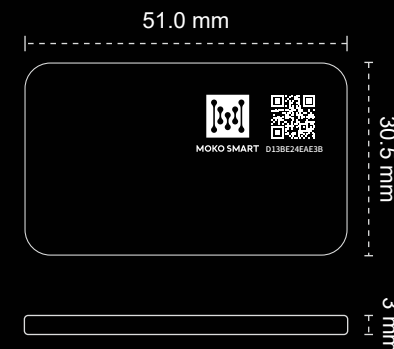

Disposable use

IP67 waterproof

### General Specs

Connectivity:	Bluetooth LE 5.0 and 5.3 compatible
Dimensions(mm):	51*30.5*3
Weight:	4.7g (with battery and strap)
Material:	EVA, PVC
Color:	Outer Surface (White), SoftFoam (Black)
Bluetooth range:	160m (open area)
Battery:	85mAh (3V), non-replaceable
Battery lifespan:	12 months (Continuous work*)
Operating temperature:	-20°C / +60°C
Installation:	Sticker

Continuous work\*: The tag's lifetime estimated based on standard working mode under 25°C conditions. (0dBm Tx Power | 3000ms AVD interval | Continuous broadcast).
