

MOKO SMART

# Smart Pallet Tracking, Robust & Durable

## M11 Pallet Tracking Tag

M11 is a BLE asset tag specifically designed for pallet tracking. Shaped in a long-stripe form, it can be easily embedded into trays. This robust tag is well-equipped to withstand harsh environments, boasting an IP67 waterproof rating and IK08 shock resistance. Meanwhile, it supports optional sensor to handle temperature monitoring when needed. Its large battery enables a durable 5-year lifespan, ideal for a wide range of pallets tracking including logistics, warehouse, manufacturing and beyond.

### Application

Warehouse

Construction

Factory

IP67 waterproof

IK08 shock resistance

Various installation methods

Supports temperature sensor

Durable 5-year lifespan

### General Specs

Connectivity:	BLE5.0
Dimensions (mm):	112*33.5*14.7
Color:	Black
Sensor:	Accelerometer sensor Temperature sensor (optional)
RFID:	Yes
LED:	Red
IP rating:	IP67
Shock resistance:	IK08
Battery:	2*CR2450   1000mAh
Operating temperature:	-20°C/60°C
Transmission range:	Up to 150m (492 feet) in open space
Installation:	3M tape   Screw   Zip Tie
